Subject: Mr. Sean Murphy Recommendation Letter

To Whom It May Concern,

I am writing to you today to provide a letter of recommendation for Sean Murphy. During my eight years as Community Development Director in Berthoud Colorado, I had the good fortune to work much of that time with Mr. Murphy on both the Planning Commission and the Town Board. I found Mr. Murphy to be trustworthy, forward-thinking, and extremely knowledgeable in all matters of design, architecture, development, and municipal government.

Mr. Murphy fostered and spearheaded a number of progressive updates to the development code, comprehensive plan, as well as many other functions of municipal government such as parks and trails. As a Commissioner and Trustee, I always counted on Mr. Murphy to be well-prepared and to ask detailed intelligent questions. His decisions were always well-reasoned and fair, and he was often the one who could be counted on to make motions and bring up the pressing questions and concerns at each meeting. He also clearly cared about his colleagues and staff, and in turn, had their trust and respect. Mr. Murphy's hard work and passion in these very important government positions made me a much better professional, and certainly provided a multitude of benefits to the citizens he very ably served.

I believe Mr. Murphy to be an extremely strong candidate, and I can confidently recommend that he will prove a great asset to your team. Should you have any questions, please feel free to contact me.

Sincerely,
